

IOWA STATE UNIVERSITY
OF SCIENCE AND TECHNOLOGY

SAFETY TRAINING INSTRUCTION & RESEARCH CENTER

OSHA 10-HOUR GENERAL INDUSTRY TRAINING

Date/Time: November 11, 2006 7:00 am - 6:30 pm

- Description:**
- The Iowa State University American Society of Safety Engineers student chapter and The Safety Training and Instructional Research Center have formed an alliance to bring to you the OSHA 10-Hour General Industry Training.
 - This alliance was formed for participants to gain knowledge of OSHA requirements, the importance of learning and adhering to proper safety procedure, as well as a practical understanding of why safety conscious behavior is vital for each and every worker.
