Personal Protective Equipment

Hazard Assessment and Selection

3:00 – Jon Judge, ISU/EHS

Walking-Working Surfaces

4:00 –Ahad Mujeeb, STIR

Fall Protection

5:00 - Jon Judge, ISU/EHS

Small Business Opportunities for Safety & Health Improvement Facts & Stats

Small businesses are vital to the U.S. economy.

Small firms:

- Represent more than 99.7 percent of all employers,
- Employ more than half of all private-sector employees,
- Pay 44.5 percent of total U.S. private payroll,
- Generate 60 to 80 percent of net new jobs annually,
- Create more than 50 percent of non-farm private gross domestic product (GDP),
- Supplied 22.8 percent of the total value of federal prime contracts (about \$50 billion) in FY 2001,
- Produce 13 to 14 times more patents per employee than large patenting firms,
- Employ 39 percent of high tech workers (such as scientists, engineers, and computer workers),
- Make up 89 percent of all identified exporters.
